

Board Meeting 12/11/2024

The meeting started at 5:30pm and adjourned at 6:30pm

Board meets to discuss all projects needing completion in 2025.

1. Basketball court resurfacing
2. Pathway repairs
3. Electrical at west monument
4. Drainage at south park entry
5. Playground improvement

The board has voted to prioritize the most outstanding projects 1-4 and on completion of those projects review the reserve budget before moving on with the play structure addition. Priority would be to work towards completing the playground addition by the end of 2025 if the budget allows.
