

Board Meeting 5/30/24

The meeting started at 5:00pm and adjourned at 6:15pm.

Community Policies and Architectural Standards: The Board met to review Community Policies and Architectural Standards. The updated version can be reviewed on Heritageparkhoa.net.

Park Project: Tom has scheduled a meeting time for association members to give input on what additions (Playground structure etc.) they would like to see.

Park Sign: The board discussed what action should be taken against TFG Systems (Owner Dale Rene) regarding the contracted and purchased (\$3900.00) Heritage Park sign that was never received. The decision was not to file a small claim as the LLC has been dissolved and the filing would be a waste of community funds.
